INDEPENDENT ACTIVITY CHOOSER 1

There are 25 tasks to choose from. Whichever one you pick you need to be able to complete independently! If you get stuck, you will need to seek help from the world wide web or a peer. Good luck!

Could be tricky, but not impossible!

Has some difficult elements

You like a challenge. Seize the day!

Create a work or art on bomomo.com	Create music at Chrome Music Lab	The London underground map is an example of 'abstraction'. Can you create a map of the key places where you live?	Prepare quiz questions that could be used in a Kahoot! or Quizziz	Create an Escape Room using Google Forms or Microsoft Forms
Create an interactive puzzle on a topic of your choice at puzzel.org	Find out the five most popular films; songs; gadgets of all time and display them in a poster	Create an advertisement for a product/service at canva.com	Create a banner for a social media profile using photopea.com	Create an animation at wickeditor.com
Create a crib sheet of key programming concepts	Play the Kithgard Dungeon at codecombat.com	Program Farmbot or Smart Cities at turinglab.co.uk/courses	Download an issue of Hello World and read an article that interests you. If it includes a practical exercise, have a go!	Have a go at some Cyber Games at cybergamesuk.com
Read a Computational Thinking Fairy Tale at computationaltales.blogspot.com	Build your first web page using Weggo	Take a coding or Computer Science course at Seneca	Create an organised collage of every Premier League football team shirt	Create a timeline of key events in the history of the world at timetoast.com
Using your IT skills, create an anonymous and non-personal survey about your peers likes/dislikes e.g. food, sport. Collect and present the results	Learn a new programming language yourself at w3schools.com	Design a house of the future and include all the technology that you would like to go into it	Use your favourite software application on the computer to create something amazing	Think of an activity that is better than all the activities here and get permission from the teacher to do it!
